CQ House Votes 37 through 39.

(Corresponding to Congressional Record Roll-Call Vote Nos. 78, 79, 81.)

House, on 189-177 Roll Call, Passes Bill to Cut Wheat Production; Approves Creation of Coal Research and Development Commission

37. HR 7246. A bill to provide a new wheat program for the 1960 and 1961 crops. Belcher (R Okla.) motion to recommit the measure with instructions to substitute a permanent program that would, in general, retain the current program but repeal the 15-acre exemption from controls, eliminate the 30-acre limitation for wheat grown for on-the-farm use, and permit all wheat farmers to vote in a referendum. Rejected 141-224 (D 28-211; R 113-13), June 12, 1959. The President did not take a position on the motion. (See story p. 238)

38. HR 7246. Passage of the bill offering wheat growers a choice between reduced acreage with high support prices or unlimited production and low supports. Passed 189-177 (D 177-63; R 12-114), June 12, 1959. A "nay" was a vote supporting the President's position. (For final vote, see Roll Call 41.)

39. HR 6596. A bill to create an independent Coal Research and Development Commission. Passed 251-54 (D 193-10; R 58-44), June 12, 1959. The President did not take a position on the bill (See story p. 228)

House Rejects President's Forest Lands Reorganization Plan, Passes Mallory Rule Bill after Defeating Motion to Recommit

50. H Res 295. A resolution disapproving Reorganization Plan No. 1 of 1959, which proposed the transfer from the Secretary of Interior to the Secretary of Agriculture of authority to make sales and exchanges of public national forest lands and to sell certain minerals from the lands. Adopted 266-124 (D 251-1; R 15-123), July 7, 1959. (Adoption of the resolution killed the Reorganization Plan.) A "nay" was a vote supporting the President's position. (See story p. 308)

51. HR 4957. "Mallory rule" bill to amend the Federal Rules of Criminal Procedure to bar Federal judges from disqualifying confessions of suspects solely because of delay in bringing suspects for arraignment. Lindsay (R N,Y.) motion to recommit the bill. Rejected 138-261 (D 121-139; R 17-122), July 7, 1959. The President did not take a position on the motion. (See story p. 211)

52. HR 4957. Passage of the bill. Passed 262-138 (D 139-122; R 123-16), July 7, 1959. The President did not take a position on the bill.

53. HR 7500. Mutual Security Act of 1959. Adoption of the conference report authorizing $3,556,200,000 for foreign aid in fiscal 1960. Adopted 258-153 (D 182-86; R 76-67), July 22, 1959. A "yea" was a vote supporting the President's position. (See story p. 178. For earlier votes on the bill, see Roll Calls 40, 42.)

54. H Res 326. Resolution providing for House concurrence in Senate amendments to HR 3460, the Tennessee Valley Authority revenue bond bill. Motion to order the previous question on adoption of the resolution. Agreed to 244-166 (D 239-26; R 5-140), July 23, 1959. Approval of the motion brought the resolution to an immediate vote. 58. HR 8342. Labor-Management Reporting and Disclosure Act of 1959. Landrum (D Ga.) and Griffin (R Mich.) amendment to substitute for the committee bill the language of their bill, containing curbs on secondary boycotts and organizational and recognition picketing, and giving the states power to handle "no man's land" labor disputes. Agreed to 229-201 (D 95-184; R 134-17), Aug. 13, 1959. A "yea" was a vote supporting the President's position. (See story p. 156)

59. HR 8342. Kearns (R Pa.) motion to recommit the bill. Rejected 149-279 (D 141-137; R 8-142), Aug. 14, 1959. A "nay" was a vote supporting the President's position.

60. HR 8342. Passage of the bill. Passed 303-125 (D 156-122; R 147-3), Aug. 14, 1959. A "yea" was a vote supporting the President's position. (For final vote on the bill, see Roll Call 78.)

61. HR 7040. Independent Offices Appropriations for fiscal 1960. Thomas (D Texas) motion that the House disagree, for the second time, to a Senate amendment providing $25 million, instead of the $10 million approved by the House, for Federal contributions to the states for the civil defense program. Agreed to 241-167 (D 138-125; R 103-42), Aug. 14, 1959. A "nay" was a vote supporting the President's position. (See story p. 326)

CQ Senate Votes 1 through 5.

Senate Defeats Douglas Proposal for Curbing Filibusters; Johnson's Less Drastic Revision of Senate Rules Prevails

1. Senate rules. Johnson (D Texas) motion to adjourn until the next day in order to prevent Sen. Clinton P. Anderson (D N.M.) from making a motion to consider adoption of new Senate rules. Agreed to 73-23 (D 50-13; R 23-10), Jan. 7, 1959. The President did not take a position on the motion. (See story p. 212)

2. Senate rules. Johnson motion to table Anderson motion to consider adoption of rules for the Senate of the 86th Congress. The Anderson motion also provided for adoption of all 85th Congress rules except Rule 22 (on cloture) and called for immediate consideration of a revised Rule 22. Tabling motion agreed to 60-36 (D 40-22; R 20-14), Jan. 9, 1959. The President did not take a position on the motion.

3. S Res 5. Johnson-Dirksen (R Ill.) proposal to revise Rule 22 by enabling two-thirds of the Senators voting, instead of two-thirds of the Senate membership (66 Senators), to shut off debate on any matter. Douglas (D Ill.) amendment to enable a majority of the Senate membership (50 Senators) to limit debate 15 days after 16 Senators filed a cloture motion. Rejected 28-67 (D 20-43; R 8-24), Jan. 12, 1959. The President did not take a position on the resolution.

4. S Res 5. Morton (R Ky.) amendment to enable Senators by a three-fifths, instead of two-thirds, vote to shut off debate. Rejected 36-58 (D 24-38; R 12-20), Jan. 12, 1959. The President did not take a position on the amendment.

5. S Res 5. Adopted 72-22 (D 44-19; R 28-3), Jan. 12, 1959. The President did not take a position on the resolution.

36. S 1555. Labor-Management Reporting and Disclosure Act of 1959. McClellan (D Ark.) amendment to add to the bill a new section providing a "Bill of Rights," with criminal penalties, to protect union members against unfair actions by their unions. Agreed to 47-46 (D 15-44; R 32-2), April 22, 1959. The President did not take a position on the amendment. (See story p. 156. For earlier votes, see preceding chart.)

The President did not take a position on the motion. (For later vote revising McClellan's amendment, see Roll Call 48.)

38. S 1555. McClellan (D Ark.) amendment to permit state labor relations agencies or state courts to handle labor disputes the National Labor Relations Board declines to handle. Rejected 39-52 (D 16-43; R 23-9), April 23, 1959. A "yea" was a vote supporting the President's position.

Within each category and subcategory are Senate bills in numerical order, followed by House bills.

Bills Introduced give the bill number, brief description of provisions, sponsor's name, date of introduction and committee to which each bill was assigned.

Bills sponsored by more than one Senator are listed under the first sponsor, with additional sponsors also listed.

In the House identical bills are sponsored by several Members, but each bill has only one sponsor and one number. In most cases only the first bill introduced -- that with the lowest bill number -- is described in full. Later bills that are identical in nature usually are cited back to the earliest bill.

Bills Acted On include action taken by committees and on the floor of either house, the Public Law number and date of the President's signature, where applicable.

The pieces of public legislation described are of four kinds -- bills and joint resolutions, which can become public law; concurrent resolutions, needing approval by both House and Senate; and simple resolutions, concerning only one chamber. Concurrent and simple resolutions do not become law.

Bills Acted On -- Agriculture

Agriculture bills and resolutions which were reported by committees to the floor of either house are listed below. Those that became public laws are listed first -- under ACTION COMPLETED -- and are followed by those on which Congress did not complete action -- listed under UNFINISHED BUSINESS.

Bills are listed first, followed by joint resolutions, concurrent resolutions, and simple resolutions. Senate measures appear before House measures. All are listed in numerical order.

The summary of each measure gives a brief description, the nature and date of action taken.

For all Bills Introduced in this Agriculture category, including bills that received no action, see p. 467.
